Forecast For Northeast England
Issued by Met Office Exeter
at 0400 on Tuesday 15 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry and sunny Tuesday. Cloudy on Wednesday, rain for some.

Today:
A fine and dry day with perhaps some early mist in prone valleys but plenty of sunshine later, though hazy at times. Feeling warm despite the breeze developing in the afternoon. Maximum temperature 22 deg C (72 deg F).

Tonight:
A largely sunny then clear evening though becoming increasingly windy, especially over hills and coastal areas. Becoming cloudy later, with patches of light rain and drizzle in the west. Minimum temperature 9 deg C (48 deg F).

Wednesday:
A cloudy start to Wednesday with outbreaks of light rain and drizzle in the west. Becoming gradually drier and brighter, with perhaps a few sunny spells in the east late. Maximum temperature 20 deg C (68 deg F).

Outlook for Thursday to Saturday:
Bands of thundery showers pushing north, alternating with dry and occasionally sunny periods on Thursday and Friday. Generally bright or sunny on Saturday, with perhaps the odd shower.
